Street Show Performers
Temporary Tattooists
Unicyclists
Walkabout Characters
Workshop Leaders

Aviatrix Acrobalance draws people in, is a delight to watch, and is a unique addition to many different events...

Acrobalance is a performance art rarely seen in the UK, which makes it a real novelty. Using counterbalance, the artists create fluid and seemingly impossible sequences, incorporating classic dance lifts, dynamic throws & gymnastics.

**“a great opportunity to show what excellent feats you guys are capable of”
— Dave Fyfe, Historic Saltire Society**

Acrobalance can be performed as a choreographed dance piece to music on stage or floor. Alternatively it can be performed as a walkabout act, where the acrobats alternately impress spectators with their own skills, and then include members of the public in simple human pyramids and balances.

Aviatrix Aerialists will captivate your audience with an assortment of high-flying entertainment

Why not install an aerial performer over your event – inside or out – for something smart, sexy or ethereal to gaze up at.

**“very impressed with your professionalism... will not hesitate to recommend you”
— Charles McGregor**

Our aerial performers can showcase a spectacular aerial dance piece to provide the highlight of an evening's entertainment. Or choose an ambient “hangabout” act on static trapeze or aerial hoop, to interact with passing guests below.

Aviatrix Silks and Aerial Fabric displays will spellbind your audience and lift them to another dimension...

"You were the highlight of our event"
– Karen Hudson

Aerial performance has enjoyed a surge in popularity in recent years. Aviatrix now specialises in static trapeze and silks performances.

Aviatrix
acrobatics | aerial theatre | entertainers

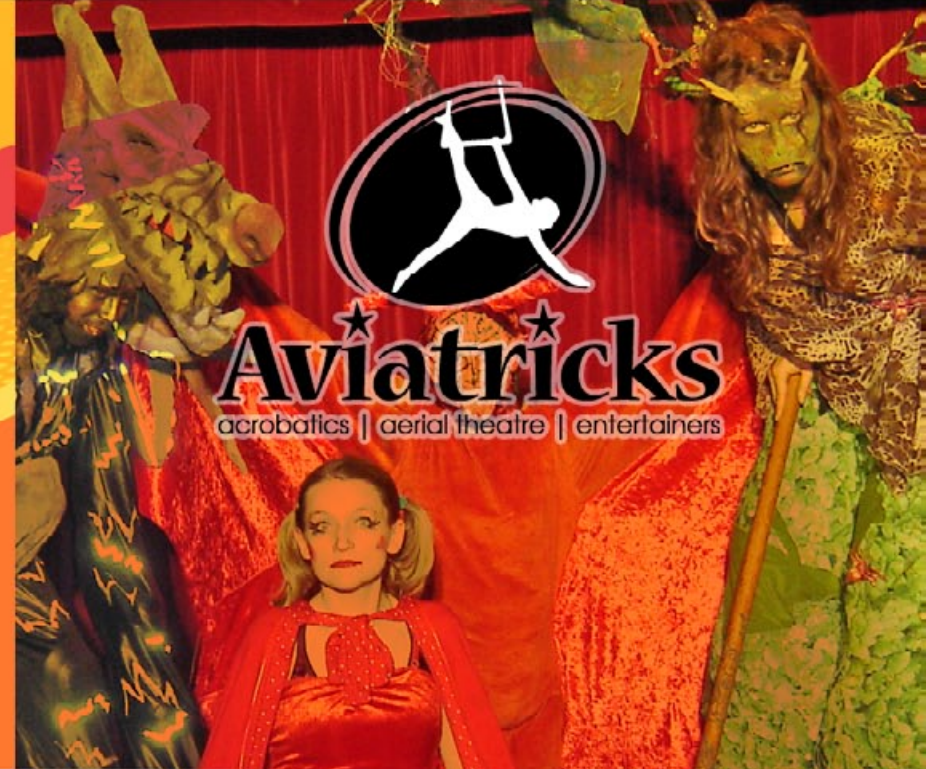

Breathtaking and dramatic, sophisticated and chic, this is an aerial dance piece spectacular. Silk blends effortlessly with performer, coming alive before your eyes. This act can also be choreographed as two performers dancing in the air side by side. Aviatrix also sources aerial hoop, rope and Spanish web artists

Our **Stilt Walkers, Circus Performers & Walk-About Entertainers** will make your event or venue spring into life!

"thank you again for coming to the family day, it made such a difference having you there, the kids absolutely loved it"
— Sian Williamson, Pagan Osborne

Our creative performers are professionals who design and construct their own bespoke costumes and characters to create a truly unique spectacle at your event.

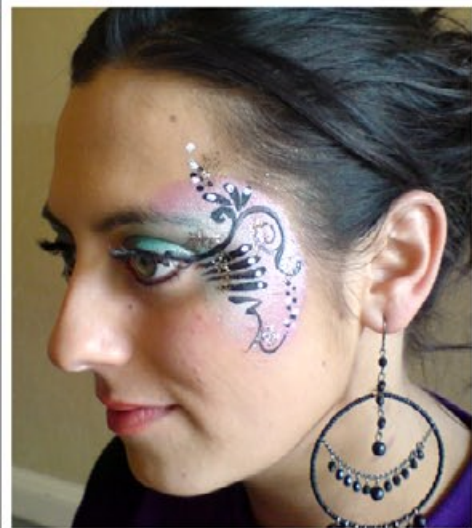

Aviatrix partners with specialists throughout the UK to provide stilt-walkers, jugglers, contact jugglers, clowns, and even characters from history. Characters created so far include the Giant Gentleman Juggler, the Giant Genie, Pirate, Stilted Big Bad Wolf, Clown, Ice Queen and many more!

Aviatrixicks Face Painting, Balloon Modelling
& Magic is of the highest professional
standard in the UK

"the two face painters
you sent this year were
exceptional, the quality of
their work was just superb"
— Jo Hood, Synergy Event
Solutions

These classically child-friendly
activities can be carried out anywhere
and are always met with huge
demand. Our principal face painter,
Valerie Beattie, is a member of FACE,
the UK face painting association.

Bursting with creativity and fun,
our original face-painting designs
appeal to young children, girls and
boys alike – and often go down a
treat with 'big kids' too, whether
at sports events or night clubs. A
popular add-on to face painting are
our temporary tattoos in ink-black or
glitter.

Aviatrix Fire Arts create dazzling visual impact, especially at night... a guaranteed crowd pleaser!

Choose from our interactive street show, a sleek choreographed spectacle or as a meet-and-greet entertainment as your guests arrive

**"Many thanks again for the great job at the Festival of Lights"
— Judith Jackson, Zap! Entertainment**

Featuring our skilled, pro fire spinners, eaters & jugglers, our street show is a showcase of fire and daring with a huge range of props you've never seen before... from fire whips and swords to scorching skipping ropes and flammable fingers, it's a whole load of mischief! Can be performed in themed costumes per your event. Fire shows in collaboration with specialist Random Mike.

Current Workshop List

For children and adults; for community fun days, birthday parties, team-building workshops. Workshops can be tailored to the event; please ask for details.

Acrobalance

Partner balancing and human pyramids, encouraging trust and teamwork. Suitable for anyone physically able age 7+.
